This is an exceptional opportunity to reach out to, spiritually inspire and teach fellow parishioners, students, and the surrounding community with the extraordinary true stories of popes, saints, converts to the faith, and so much more!

FINDING FATIMA is a powerful and in-depth documentary that tells the whole story of the apparitions of Our Lady of Fatima with archival footage, dramatic reenactments, original interviews with Fatima experts and stunning visuals. Produced by the award-winning filmmakers of the highly acclaimed feature film *The 13th Day*, Ian and Dominic Higgins present a compelling docu-drama on all the crucial details about the appearances and messages of Our Lady in Fatima in 1917, a message of prayer, penance and conversion that is desperately needed in our modern world.

From the initial apparitions of the Angel who prepared the children for Our Lady's coming, to the Miracle of the Sun, including moving film footage from *The 13th Day*, this illuminating and inspiring film will impact all those who see it to personally take heed of the critical messages of Our Lady of Fatima.

“They use clips from *The 13th Day* for the re-enactments, as we get to know the personalities of the three visionary children in depth. This documentary is chock-full of fascinating, down-to-earth interviews and historical footage, all presented in a spritely way. There's not a dull moment in this life and joy-filled documentary, even with its more somber sepia-toned visual edges! Innovative without being novel or gimmicky, *Finding Fatima* has a 21st-century feel to it.”

Sister Helena Burns, FSP, Film Reviewer, *The Catholic New World*
