

**First Grade Curriculum**

<b>First Grade Curriculum</b>						
<b><i>Our Heavenly Father</i></b>		The students are introduced to the Holy Trinity through studying the development of salvation history and presentations on God the Father, the life of Jesus, and the Holy Spirit. Students are also introduced to God's plan and their participation in God's family, which includes Mary, the angels, and the saints. The emphasis of the first grade curriculum is for students to grow to know, love, and trust God.				
<b>Creed/Scripture</b>		Students develop an understanding of the mystery of Christ through age appropriate teachings on Church doctrine and scriptural references as listed below and in the teacher's manual.				
<b>Sacraments</b>		Students learn that God shows his love and mercy by giving us the Church and the sacraments to restore our life of grace. Special emphasis is given to Baptism and the Eucharist.				
<b>Christian Living</b>		Throughout the first grade, students develop their understanding of the dignity of the human person. Students learn to live out their faith and respond to what they learn by forming a moral conscience and by living out their call to justice and service through imitating the life of Jesus.				
<b>Prayer</b>		Throughout the first grade, students begin to develop a prayer life that informs their Christian living. They learn the basic traditional Catholic prayers and are introduced to spontaneous prayer. They also learn that giving praise and thanksgiving to God are forms of prayer and that prayer is talking with God
